

The North Coast Watershed Assessment Program

invites your participation and comments at the

Mattole River Watershed Assessment Public Meeting

Saturday, March 23, 2002
1:00pm - 4:00pm
Triple Junction High School (map on reverse)

Please attend and....

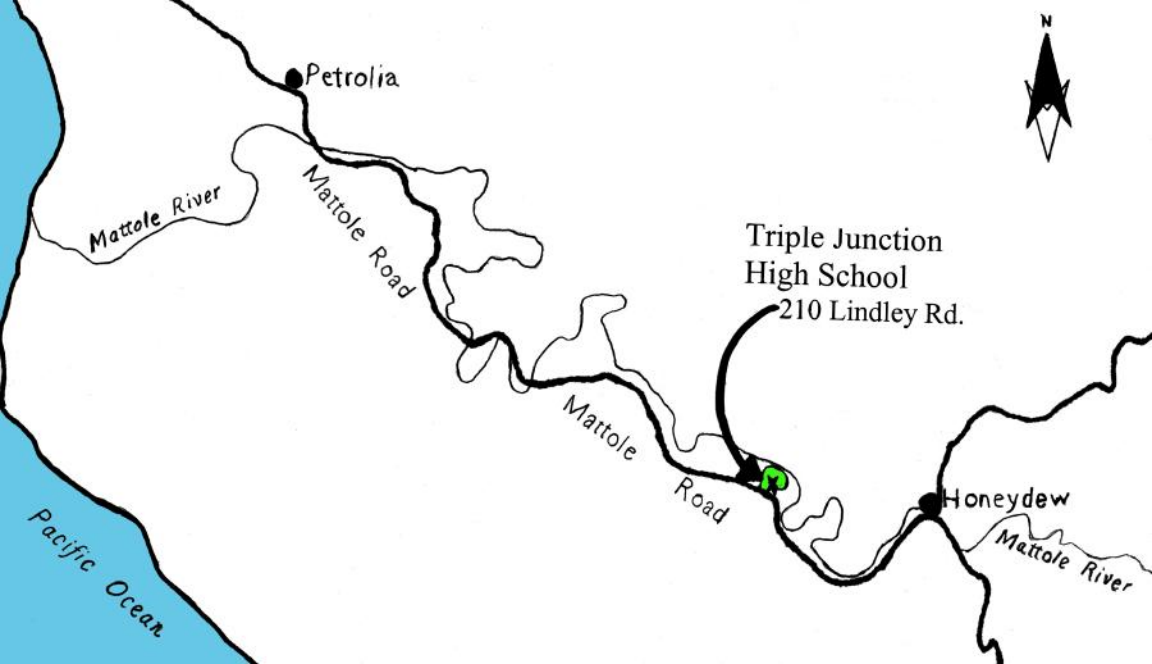

- Learn about the Mattole River watershed assessment process.
- Review and comment on the North Coast Watershed Assessment Program's draft "Mattole Watershed Synthesis Report." Report now available online at www.ncwatershed.ca.gov.
- Share your concerns and questions about the Mattole River watershed conditions.

Only with your help can the North Coast Watershed Assessment Program efforts become useful components toward the improvement of the Mattole River watershed and its salmon and steelhead populations....

For more information contact....

- Scott Downie, CA Department of Fish and Game, (707) 725-1070
- Dave Snider, CA Department of Fish and Game, (707) 725-7192

Alternate communication format available upon request. If reasonable accommodation is needed, call Shannon Stewart at (707) 725-1052 or the California Relay (Telephone) Service for the deaf or hearing-impaired from TDD phones at 1-800-735-2929.
